ST. PIUS X CAPITAL CAMPAIGN

Campus Master Plan Update

On December 23, the Pastoral Council approved the following recommendation from the Capital Campaign Leadership Team.

Capital Campaign Fundraising Status:

We have been truly blessed as a community, and have gathered pledges totaling more than \$900,000 in these early stages (as of 12/04/08). The response during this initial period of soliciting pledges has been very positive, especially in the light of these challenging economic times.

Recommendation to the Pastoral Council:

The Capital Campaign Leadership Team recommends that we appropriately move forward with the Campus Master Plan, with the understanding that Archdiocesan policy requirements (90% pledged/50% collected) and the Pastoral Council funding guidelines must be met before we engage an architect to complete schematic and detailed designs and establish building timelines.

In doing so, the Capital Campaign Leadership Team recognizes that the high-level timeline originally proposed by the Capital Improvements Team (CIT) for the steps in implementing Phase 1 will be adjusted as necessary in response to fulfilling the funding requirements.

We endorse the present conception of the Campus Master Plan and its phasing, but remain open to consultation. We remain committed to an open and transparent process with communication at its core.

Learn how you can help, because
Together We Build... Together We Grow...
in faith and as a community.
