ST. PIUS X CAPITAL CAMPAIGN

## Capital Campaign Update

The Capital Campaign Steering Committee is considering refocusing and rescaling Phase 1 of the Campus Master Plan in light of current fiscal conditions and the feedback received from the parishioners over the last several months. In an effort to address issues that currently face the entire parish, the new proposal focuses on building the new Athletic and Multipurpose Center and expanded classroom space.

- The Athletic and Multipurpose Center would include a new double gym with additional storage areas, and the re-purposing of the existing gymnasium building into a Multipurpose Center which would be used for the school cafeteria, religious education functions and other parish-wide events.
- The existing school cafeteria would be redesigned for use as a three additional classrooms.

The Steering Team is excited about the possibilities this new focus will provide for the parish and has shared this new vision with the parish leadership seeking feedback before presenting a formal proposal to Pastoral Council. Look for additional information on the parish website and in the bulletin.

Pray for the Spirit's guidance, because  
*Together We Build...*  
*Together We Grow...*  
in faith and as a community.
