

Together We Build...
Together We Grow...

ST. PIUS X CAPITAL CAMPAIGN

Capital Campaign Update

Parish leadership is looking for feedback on the refocused and rescaled Phase 1 of the Campus Master Plan currently being considered. The Building Committee and other leadership groups are working on the details of the proposed change. The new proposal would focus on building the new Athletic and Multipurpose Center and expanded classroom space.

- The Athletic and Multipurpose Center would include a new double gym with additional storage areas, and the repurposing of the existing gymnasium building into a Multipurpose Center which would be used for the school cafeteria, religious education functions and other parish-wide events.
- The existing school cafeteria would be redesigned for use as three additional classrooms.

The Steering Team is excited about the possibilities this new focus will provide for the parish and has shared this new vision with the parish leadership, seeking feedback before presenting a formal proposal to Pastoral Council at the May Shared Leadership night. Please provide your input to Parish leadership by the April 15 Shared Leadership night.

Pray for the Spirit's guidance, because
Together We Build...
Together We Grow...
in faith and as a community.
