ST. PIUS X CAPITAL CAMPAIGN

Capital Campaign Update

The refocused and rescaled Phase 1 of the Campus Master Plan has been approved.

- Immediate improvements to the church sound system will allow for greater participation in our liturgies by all who attend.
- The Athletic and Multipurpose Center will include a new double gym with additional storage areas, and the re-purposing of the existing gymnasium building into a Multipurpose Center which will be used for the school cafeteria, religious education functions and other parish events, with the ability to host up to 600 people.
- The existing Education Center cafeteria will be redesigned for use as three additional classrooms.

The rescaled Phase One has a cost of \$3.5 million. We have already received over \$1.1 million in pledges. We will need at least \$2.6 million in pledges and \$1.4 million in donations in order to begin construction of the new Gymnasium in spring 2010.

All parishioners will be asked to make a pledge payable over three years. Please begin thinking, praying and planning for your pledge and give generously.

If you would like to be involved in the work of the Capital Campaign or have questions, please contact Emma Dennis in the Parish Office, 503-644-5264 or edennis@stpiusx-pdx.org.

Pray for the Spirit's guidance, because

in faith and as a community.
