The Vision

You are invited to attend an Open House Town Hall Meeting to learn more about the vision of the Campus Master Plan and where we as a parish are in developing this vision into a reality.

The Teams

Come and meet the people who have worked to pull all of the parishioners expressed needs and wishes together into this vision of a Campus Master Plan and those who will be working with you, the parishioners, to further develop and refine the plan, shaping it with details and defining priorities.

The Call

We are all called to participate in this process to the fullest extent possible. Your time, talents and treasures are needed to make this Campus Master Plan process an all-inclusive one. Please come to learn how you can help, because *Together We Build...*
Together We Grow... in faith and as a community.
