ST. PIUS X CAPITAL CAMPAIGN

## **Campus Master Plan Project Overview**

St. Pius X Parish is developing a Campus Master Plan to increase service to its members, the surrounding community and the Archdiocese of Portland. The Plan calls for three phases of construction. The emphasis of the Plan is on providing enhanced Catholic Education and learning opportunities for the youth of our parish, but all parishioners will benefit.

### **Why have a Campus Master Plan?**

The Campus Master Plan has been developed to meet the needs of our growing parish not only as a response to current demands, but also looking to the future of our parish. The following are only a few of the objectives St. Pius X expects to meet through expansion:

- Provide dedicated space for Faith Formation that allows that program to grow, increasing the number of children being served to 1,000.
- Enable St. Pius X School to meet the Catholic School needs of all parishioners, including our own Latino families who may need financial assistance to attend the school.
- Provide an enhanced sound system in the church will improve clarity and quality of sound allowing for greater participation.
